

20 June 1949

Fleet Admiral C. W. Nimitz, USN  
Plebiscite Administrator Designate  
United Nations Mission for Jammu and Kashmir  
Lake Success, New York

Dear Admiral:

Thank you very much for your letter of 14 June 1949 regarding [redacted]. For your information, [redacted] submitted an application for position with the Central Intelligence Agency in April 1947 and was interviewed at that time. There was no vacancy then in the area with which he was familiar. In July 1948 a vacancy did arise and we wrote asking him if he could come with us then. At that time [redacted] did not want the job.

In March 1949 [redacted] again submitted his papers which were shopped around to the various branches where a person of Mr. [redacted]'s capabilities might be used. Now, again, there is no appropriate vacancy at this time and we have so informed [redacted]. This is as of 14 June 1949.

We shall keep his application on file and if and when a vacancy occurs, we shall get in touch with him again as we do recognize his very valuable qualities.

Thank you for recommending him to us and if we can be of any service to you at all in your new job, please do not hesitate to call upon us.

With very best personal regards, believe me,

Sincerely,

*S. dip by ER 6/20.*
